

Tribal Agriculture Fellowship
Est. 2021

Welcome to the Tribal Agriculture Fellowship (TAF) application instructions page. The following document explains the necessary steps to create an account and apply for an Undergraduate, Graduate, or Career and Technical Education fellowship within minutes.

Foundant requests specific required information from an applicant when creating an account. That information is marked with an asterisk (*) at the end of the field name in the Foundant system. These fields are listed immediately below.

Required Fields

Prefix: Mr., Ms., Mrs., Dr., etc. Feel free to type N/A if you do not wish to list a prefix.

First Name: Legal first name.

Last Name: Legal surname.

Business Title: Most recent job title or duty. If you are a student in high school, a high school equivalency program, or in a post-secondary school (e.g., college or career and technical education school), place the specific type of student you are (e.g., community college student).

Email/Username: Your email will also be the username you use when logging in to the Foundant system.

Confirm E-mail/Username: Type the same email/username from the previous question.

Telephone number: Please list the telephone number that you wish to use in relation to your TAF account.

Address: The number of the address of your residence.

City: Your city of residence.

State: Your state of residence.

Postal Code: The postal code of your residence.

Creating Password

Enter & Confirm Password: Please enter a secure, memorable password. You will need to confirm this password in the next field. If you ever forget your password, you can use the “Forget Password” button when logging in to reset it and enter a new password.

Tribal Agriculture Fellowship
Est. 2021

Confirming Email

Enter & Confirm Password: Foundant will send a confirmation email to the email address listed by the applicant. The applicant may choose to continue into the application phase without checking that email confirmation. For assistance with keeping TAF’s emails out of your spam box, [click here](#).

Choosing an Application

On the “Apply” page, you will see three tabs: TAF 2022 – Career and Technical Education Fellowship; TAF 2022 – Undergraduate Fellowship; and TAF 2022 – Graduate Fellowship. Each one has a blue “Apply” button on the right side that looks like this:

Choose the fellowship that is most relevant to your interests and click the blue “Apply” button to begin your application.

If you prefer to preview the list of questions within the application without committing to an application, press the “Preview” button, seen here:

This will open a fully interactive application, but your answers will not be saved.
